**WE BELIEVE IN KEEPING THE  
GLENROSE PRAIRIE RURAL.  
Please Join Us**

On the east border of the City of Spokane sits the Glenrose Prairie, an area with pastures of livestock, fields for wandering deer and skittering quail and forests for the occasional elk or bear. Settled in the 1870's, the Glenrose Prairie exemplifies the statement,  
**“Near Nature, Near Perfect.”**

**THE RURAL NATURE OF GLENROSE WILL BE GONE FOREVER IF THE COUNTY APPROVES A REGIONAL SPORTS COMPLEX.**

Proposed at 37th Ave and South Glenrose Road, the private complex, which will be unavailable for public use, is slated to have multiple synthetic turf sport fields, hundreds of parking spaces and stadium lighting for night games.

- The proposed complex would;**
- **CREATE MAJOR TRAFFIC AND SAFETY PROBLEMS**
  - **ELIMINATE THE NIGHT SKY WITH STADIUM LIGHTING**
  - **DESTROY WILDLIFE HABITAT**
  - **FOREVER END THE REGION'S RURAL CHARACTER**

**SPOKANE COUNTY IS DEFYING THE ZONING CODE FOR THE SAKE OF DEVELOPMENT.**

The intended uses of the sports complex, as documented, are well beyond the scope of use classification for this rural zone.

**WE URGE THAT SPOKANE COUNTY COMPLY WITH THE ZONING CODE, AND THEREFORE, DENY THE PERMITS FOR THE SPORTS COMPLEX.**
