

2013 ANNUAL MEMBERSHIP FORM FOR NEW OR RETURNING MEMBERS

PRESIDENT'S MESSAGE

Dear Glenrose Neighbor,

It's been an eventful and very successful year for The Glenrose Association (GA)! We kicked off the year with a very informative annual meeting, followed by the Glenrose Clean Up Day, third annual Glenrose Mountain Goat Challenge Fun Run (MGC), and last but not least, our first ever Farmers Market! **Many thanks** to all of you who participated and made these events a part of our community! They couldn't have happened without your tireless hours of hard work, support and dedication!

The high profile events hosted by the GA provide many benefits to our area and greater community. One of the most important benefits is creating awareness about the unique and beautiful place we call Glenrose. Through the involvement of the many volunteers, participants and guests who engage in these events, a sense of pride and wonder seems to emerge from all, while observing the unique character of Glenrose people, and the beautiful place we call home.

I believe this awareness instills a shared concern for the preservation and good stewardship of our inheritance which is Glenrose. Through this concern the GA is able to garner considerable strength to carry out one of its most important missions. That mission is to continue to be a strong voice for our community.

Change will forever challenge our community. The GA was incorporated eighteen years ago, by a number of our very dedicated neighbors, as a non-profit Washington state corporation. The creation of the GA was their attempt to establish a strong voice through which all of us could address change, impacting the place we live. Their creation has been a huge success.

Over the years, through the hard work of many dedicated GA volunteers, the association has effectively addressed many issues that have impacted or threatened our area. Without the GA we wouldn't have the means to influence the change that has come to Glenrose. I think it is vitally important that the GA remains strong and vibrant, so we can continue to effectively meet and address future change.

I encourage you to visit our GA and MGC websites for more detailed information about who we are, and what we do. You will find the names of our board members and officers, and many useful reference pages including one called Local Business Listings, where members may list their businesses for free! Some additional benefits for being a member include: * Thirteen dedicated board members working for you * Monthly Board Meetings open to all, with periodic guest speakers addressing relevant topics that many members find educational * Agendas are always sent to members in advance of all meetings * Members may vote at the annual meeting for new board members, so please attend the annual meeting to ensure a quorum *The GA also works with local law enforcement to improve awareness of threats to our area.

The main source of revenue for the GA comes from member dues. Membership runs on a calendar year basis. **Please consider joining as a new member or renewing if you are a current member for the year 2013.** Your membership enables the association to continue to carry on with its important work, and is critical to our association! **We very much appreciate your membership!** Please remember that all work done by the association is done by unpaid volunteers.

Thank you and best wishes for 2013,

Richard Brooke

President
